

## Cookiestatement

We use cookies on our websites. In this cookie statement you can read more about cookies and how P. Notenboom Betonwerken B.V. applies the cookies to its website (s).

### What is a cookie?

Cookies are small text files that are placed by a website on a PC, tablet or mobile phone. Some of these cookies are necessary for the site to work; others help us improve the website or allow you to offer a better user experience.

### Types of cookies

The cookies we place do not contain personal data and can not be linked to you as an individual. The information collected by us (or third parties) through cookies is used for the following applications:

- For functional purposes: to facilitate navigation on the website of us.
- For analytical purposes: to analyze the use of our website. This allows us to see which pages are visited the most and where error messages occur.
- To measure media usage: we keep track of how many and which advertisements have been shown to you (to prevent you from seeing the same advertisement each time) and to check whether you have clicked on an advertisement.
- For testing page (parts): this allows us to adapt our website to the wishes and user experiences of our visitors.

### Removal of cookies

More information about switching on and off and removing cookies can be found in the Help function of your browser.
